# SALE

## Our Special Backlist Offer for This Year

This year we are pleased to present a special backlist selection featuring a wide range of titles and original content at a single, highly competitive fixed price. The offer includes many different formats and publishing segments, spanning from early childhood books, colouring books and activity books, to first readers and non-fiction titles for adults. A curated catalogue designed to combine variety, quality and value, ideal for publishers looking to enrich their list with ready-to-use, original content under clear and advantageous conditions.

# 47 series and 157 titles over 15000 images

## Table of Contents
